

REMARKS

Claims to non-elected inventions have been canceled. Claims 1-3 are as originally presented and claims 8, 10 and 12 have been amended to depend from claim 1 as they are various circumstances wherein it is desirable to stimulate hair growth. Support for these amended claims is found in claims 8, 10 and 12 as originally filed. Support for new claim 16 is found in canceled claim 6 and throughout the specification. No new matter has been added and entry of the amendment is respectfully requested.

As noted above, this election is made without traverse. Examination on the merits is now requested.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket No. 432722003800.
